

DRIVING & PARKING DIRECTIONS – TĀWHARANUI REGIONAL PARK

Driving From Auckland

At the end of the new Northern Motorway you will reach the main roundabout, and you are taking a right turn towards Warkworth / Matakana.

Take the first left on to Te Honohono ki Tai Road.

Then left at the first roundabout on to Matakana Road (Note: this is currently poorly marked with no signage)

Once you reach Matakana head straight through the roundabout on to Leigh Road.

Approx 1.5km from the roundabout you will turn right on to Takatu Road, and then another quick right at the roundabout shortly after this turn.

This road then continues for approx. 13km into Tāwharanui Regional Park.

Pass through the predator gates and continue through the park towards the campground.

There is a left turn into the driveway to the campground which will be clearly marked with event signage.

If you reach the main beach car park you've missed this turn!

Parking

Please ensure you do not park until instructed to by our parking marshals - it is a condition of our permit that we restrict event parking to our permitted areas.

Parking will be split with carpoolers receiving priority parking for those with 3+ persons in the vehicle – see map below. Please follow event directional signage and the instructions of our parking marshals.
